

Directions to Bloomfield Camping.

The site is at the end of Common Drove on the outskirts of Child Okeford, North Dorset. Nearest postcode is DT11 8QY.

From the village centre, with the Bakers Arms pub and Cross Village stores on your left hand side, carry on past the War Memorial on the right hand side. Take the turn on the right just after the Memorial.

Continue on this road for approximately $\frac{3}{4}$ of a mile, passing the Oasis plant centre on your left. You will come to a white house on the right hand side of the road with a lane going off to the left. This is Common Drove. At present there are some red/white pedestrian barriers against the hedge. Turn down here and drive 300 metres to the bottom of the lane. We are on the right hand side. Please drive slowly down the lane.
